

Dear {{FirstName or "Friend"}},

We would like to take the opportunity to thank you, this holiday season, for your support of our work. We are excited to share a few of Greater Boston PSR's accomplishments this fall:

- Our successful three-part [webinar series](#) on the overlapping health risks of nuclear development and climate change drew over a hundred participants and featured inspiring speakers including academic experts and community leaders;

- Developing an educational [video on hydrogen](#) that spoofs the oil and gas industry and draws attention to the serious health risks of mixing hydrogen and methane, an un-climate friendly non-climate solution.
- Board member Dr. Ira Helfand and Executive Director, Anna Linakis, spoke at the annual convention for the Massachusetts Nurses' Association, earning their endorsement of the Back from the Brink campaign;
- Our energizing and inspiring fall event, honoring Senators Markey and Warren and youth leaders with our [Annual Global Health and Peace Awards](#); with more than 100 in attendance!

- And so much more you can read about here in our [2023 end-of-year newsletter](#).

It's important work and, although challenging, we have created a wonderfully cohesive group of active citizens than can and *has* created meaningful changes.

We have innovative ideas and ambitious goals — but our continued success depends on you. Will you donate towards this important work today? Your tax-deductible gift will help us increase our reach.

DONATE

We also have Venmo now! You can find us on Venmo [@gbpsr](#) and here is our QR code:

Or, you may donate by check to:

Greater Boston PSR

PO Box 470563
